Our

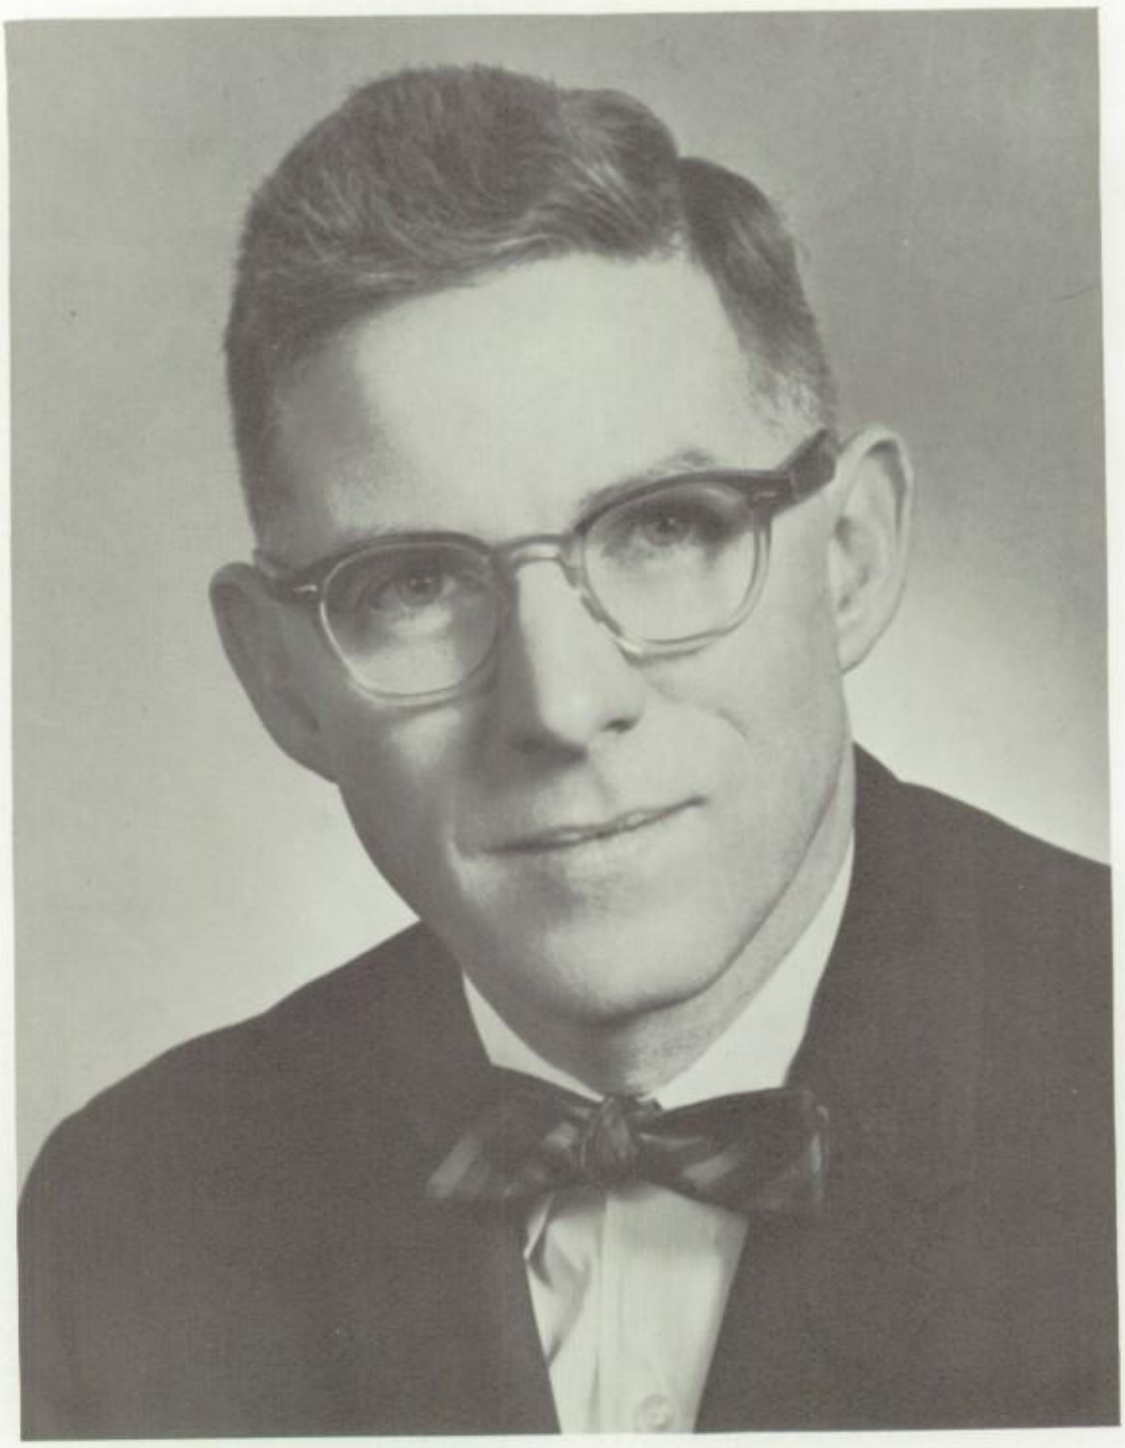
Dedication



D. Duncan Paterson, B.S., M.A.

The Class of 1963 is pleased to dedicate its yearbook to an outstanding teacher, friend, and advisor, Mr. Duncan Paterson.

In addition to sponsoring the Biology Club and teaching biology, Mr. Paterson's interests have been in promoting education in the Adrian School System.

As Past President of the Adrian Teachers' Association and Past Chairmen of Public Relations of the club he has done much for the good of the teaching profession.

As adviser of the Hi-Y Club for many years and because of his participation on radio programs promoting extra-curricular activities of the schools he has been of value to the community.

As adviser of the Biology Club he has promoted interest in science, and for the past six years has taken the club to Chicago to visit the Museum of Science and Industry, the Museum of Natural History, the Aquarium, the Zoo, and the Planetarium.

Again may we say we are proud to be able to dedicate this our 1963 *Sickle* to Mr. Paterson.

The Class of 1963

Front: Kathy Richardson, Lynn Wallace, Pat Worman. **Back:** George MacNaughton, Chuck Heffron.

"Good things come in small packages" certainly applies to the class of 1963. This year, only about 200 students formed the graduating class. However, despite the lack of quantity, the class of "63" has more than made up for it in quality.

Ignited by the leadership of the Senior Class, school spirit was abundant. The Seniors began the year by winning the class competition in the magazine sale with two Senior homerooms placing in the top four. Firsts were scored again by the Senior homerooms in the sale of season football tickets and Maple Leaf subscriptions.

The football team, finding nine Senior starters in the line-up regularly, had an outstanding season with a final record of eight wins and one loss. Thanks to the sponsorship of the Senior Class, buses followed the team to many of the away football games and, later, a few of the away basketball games. Often, in the pep assemblies, the smaller-numbered Seniors out-yelled the larger junior and sophomore classes in competition. In the Homecoming festivities, Senior homeroom floats captured two of the three first prizes for the best floats.

The "mighty mites" have had a very successful year and have definitely left their mark in Adrian High School. It will be one they will long remember after they have gone their separate ways.

Class Will

We, the Seniors of Adrian, class of '63, bequeath tons of Gratitude to Mr. Ellis, the best advisor (and Thursday morning sports reporter) ever!

I, Diane Castle, will to Suzie Parker my lunch hour seat at the Tip Top.

I, Joanne Clough, will my innocent grin to Mike McCombs - who needs something.

I, Bill Hansen, do bequeath to the class of '64 the great ability to elude Mr. Osgood.

We, Kay Dix and Diana Dougherty, will all the little wads of paper that jam our locker to our friend, Jimmy Winzeler.

I, Pete Hodapp, will and bequeath in this my last will and testament, all my brilliant, arching hook shots to Rick Hunt.

I, George MacNaughton, do will and bequeath my loud marching mouth to Jim Nixon so he can keep our squad in line.

I, Barb Potter, will my cat, Tuffy, to Miss Sherman, so that he may become the world's greatest theme writer.

We, the Senior girls of good ole A.S.H.S., will our garters to any underclassmen who want to get a snap out of life.

I, Jim Vreeland, being of sound mind and body (most of the time,) will to Bill Everiss, one embroidered pack of Salem's for Bill's Varsity jacket.

I, Sharon Graves, will to all future Econ students, 100 shares of stock in General Mills, well, Cheerio!

We, the Seniors of '63 do will our Dignity, High Prestige, and Honor to the class of '64, who will doubtless take them anyway.

I, Kathy Richardson, will my flubber to my sister. She can have my slinky, too!

Class Will

I, Gary Dunlap, will R. J. Berning to the cause of Medical Science.

I, Allen Kennedy, will my shooting eye and the little black gum drop I found under the desk in Pop's office to Andy Fisher.

We, the members of Machine Shop II, will all of Mr. Strobels corny jokes to Machine Shop I.

I, Jeanie O'Jeda, will my makeup from the Senior Play to Adeline Miller, so she won't have to use Man-Tan.

I, Steve Alpaugh, being of sound mind and body, do bequeath to Ramon Damon, my track shoes and pool cue.

We, the Sickle Staff of '63, do will our fourth hour parties and jam sessions to the Sickle Staff of '64.

I, Allen VanSickle, bequeath all my brains to anybody that wants them hoping they will use them better than I did.

We, the cheerleaders of A.S.H.S., will and bequeath our majestic pyramids to the Egyptians.

I, Pat Worman, will my bathing suit to Carl Hyder.

I, Jon Caterino, being of sound BODY, will to the swim team, for use next year, that darn cold pool.

We, the Seniors of the Sickle Staff, bequeath our efficiency, determination, and artistic board scribbling ability to next year's staff. To Claude, we leave a bottle of cough syrup and a chain to hold down his grade book.

I, John Hartwig, will to Mr. DeSpain a football line for next year's team.

I, Dan Sell, will my pool and card tables at Leanards and Al's to Dave Seales.

The National Honor Society, a national high-school organization, gives recognition to outstanding student on the basis of Scholarship, Leadership, Service, and Character. It encourages the exploration and development of these qualities in students. It identifies the potential leaders for school and country, which our democracy will surely need for the assurances of a secure and strong America.

These students are chosen by the entire faculty for the purpose of appealing to the sense of gratitude for educational benefits received, to the desire for growth toward higher ideals, to the devotion toward duty for the honor bestowed, and to the hope of developing well-balanced personalities.

The Honor Society is sponsored by the National Association of Secondary Principals as a Professional organization and as a service to school and students.

This year Wolverine Boys' State was attended by thirteen boys from Adrian High School. Sponsored by the American Legion these boys spent a week during June at Michigan State, learning about the state government.

Over twelve hundred boys from all over Michigan were divided into twenty-two cities. The cities contained fifty boys: twenty-five Nationalists and twenty-five Federalists. Every two cities made a county, and the eleven counties comprised Wolverine Boys' State.

The first few days consisted of local, county, and, finally, state elections. The last few days were spent in the practice of state government similar to that of the Michigan state government.

Wolverine Girls' State, sponsored by the American Legion Auxiliary, was held for ten days in June on the University of Michigan campus.

Four hundred-twenty girls from all over Michigan attended. The miniature state was composed of twenty-one cities and seven counties, with a government patterned after the state of Michigan. The two political parties were the Nationalists, and the Federalists: ten in each city.

Sally Camburn was this year's delegate, and Pat Worman was the alternate.

Adrian High Student Council this year has undertaken and planned many activities which they felt would be of interest to everyone. These activities are both social and academic.

Taking the academic measures first, the Council has again planned for the Career Day Program which has been renamed the Occupational Consultant Program. This program will be composed of a board and on this board will be people of different professions from the community.

The Hall of Fame will also be done again this year and will remain a continuing program.

This year the Council will also sponsor the National Honor Society Banquet for the outstanding Seniors.

The Council has presented a couple of fine assemblies this year and has a few more planned before the year is over, which they feel will be of interest to everyone.

The Council slso appropriated the funds for the new Cheerleading uniforms, which was greatly appreciated.

Junior Rotarians

Front Row: Hubbard, Heffron, Hodapp, Hartwig, Baumgartner, and Pfister. **Back Row:** Mayhew, and Messerly.

Each year nine senior boys are selected by the faculty to represent Adrian High School as Junior Rotarians. Each boy was selected after careful consideration to their scholastic records and citizenship.

The club's purpose in selecting Junior Rotarians is to acquaint the boys with the business of Adrian and interest them in community affairs.

At the end of the school year all the boys will return and take complete charge of one meeting to entertain the members.

Leaders' Club

Front Row: Kolz. **Second Row:** Halstead, Worman. **Third Row:** Camburn, Eisch, Brock. **Back Row:** Burtless, Jasmund, McCombs, Buckley.

The Leaders' Club is composed of a group of girls from the G.A.A. for the purpose of helping Mrs. Davis in the gym and pool classes. The girls take roll, referee the games, and set up equipment in gym classes. In pool they sometimes instruct and act as life guards. These girls enable the teacher to focus her entire attention on the students. The Leaders' Club girls are a great credit to our school.

Top Ten Magazine Salesmen

The $5,000 goal was only the beginning for the magazine sales campaign this year. The tremendous selling job done by the student body pushed the total to a spectacular $7,330.06, and added generously to the lounge fund.

For being the top sales homeroom in the entire campaign, homeroom A-118 attended the Michigan State and Purdue football game at Ann Arbor; homeroom D-111 was second and was treated at Bummies. For being top sales homeroom for the first day, Mr. Ellis and Dr. Cretcher were treated to a steak dinner at the Rock Inn. Special thanks go to the top ten salesmen who helped boost the total. They are:

Gary Wilson	$150.80
Virginia Ruesink	123.97
Sharon Graves	112.87
John Kottke	102.08
Karen Kenney	88.00
Nancy Clement	86.41
Suzanne McCombs	75.94
Marybeth Ryznar	73.50
Valerie Smith	69.22

Attendance Takers

Front Row: Harsh, S., Miller. **Second Row:** Moore, Perez, Jordan, Clough, Rosenburg. **Third Row:** Zeluff, Rinehart. **Fourth Row:** Cox, Harsh, V. **Fifth Row:** Foote, Wright. **Sixth Row:** Drewyor, Baldwin, **Back Row:** Garza.

Several students proved themselves to be indispensable this year as attendance takers. Without their efficient help the school would have to be closed. Under the excellent direction of Mr. Osgood they take attendance in study hall, gather slips from teachers hourly, and keep records of school attendance and tardiness.

Student Librarians

Front: Sparks, Kitner, Perry, Beauchamp. **Back:** Parker, Ables, Roekle, Poling, Mayes, Van Sickle, Becker.

Working as student librarians under the supervision of Miss Kovanda and Mrs. Henry, many students helped both students and teachers to find needed information. Student librarians help to order and process new books and magazines, create displays to advertise available books, and keep the materials in order.

Bolstered by eight returning lettermen, the 1962-63 football team completed its most successful season (8-1) since 1909. The team had a combination of a roaring offense and defiant defense. The offensive unit, led by all-state Doug Nelson, and co-captain Chuck Heffron (honorable mention) gained an average of 255 yards per game and accounted for more than 160 points.

Holding their opponents to 175 yard average per game the defensive unit was outstanding. Dan Messerly, all-state (UPI), was the defensive standout, having the most tackles, pass interceptions (4), and fumble recoveries (7).

Spirit and support were things that were never lacking. Adrian fans traveled to many of the away games, and were often the majority in the stands due to the sponsoring of the buses by the Senior class.

After a fine 1962-63 season we are expecting more of the same next year, as there are 17 men returning out of a 35 man squad. Our thanks and congratulations to Mr. McNitt and the team for a job well done.

Marked with many disappointments and bad breaks, the J.V. footballers fared worse then expected, record wise. However the boys showed a lot of hustle and tremendous desire at all time. Often the difference in a win or a loss was a small turn of fate in the final quarter which put the opposition ahead; yet our boys never admitted defeat until the final gun sounded.

The team displayed a combination of a good offense and defense, having fine running and tackling abilities. Coach Jon Davis summed up the season by saying, "This year could be compared to that of a politician. It's better to forget the record and remember the facts."

Coach Berning, Damon, Brown, Bradley, Pickney, Quinn, Lamley, Peck, Meyer, Paulson, Hinsdale, Steudle, and Foster.

Cross Country

Damon

The Adrian High cross country squad ended one of its most successful campaigns this year, according to coach Robert Berning. The Maple harriers concluded the season with a 5-6 mark.

Captain Ray Damon and Earl Brown were the pace setters throughout the season for Adrian. Damon had five first places, and Brown was consistently right behind him. Both runners broke the eleven minute barrier at the end of the season at Lakeview with 10:55.1 and 10:56 respectively.

Other Adrian runners who contributed this year were Dan Peck, Dick Foster, Don Quinn, Ed Harvey, Roger Steudle, Bill Paulson, Jim Falls, Dennis Bradley, Carl Kidd, Paul Hollenbeck, and Dave Lamley. All these boys will be back next year to bolster the squad.

The "littlest giants" would be a mild description of this year's mighty Maple basketballers. Every year in the past Adrian has been considered a mediocre team and this year was no different.

Adrian traveled to Jackson for the season's opener and defeated a strong Jackson team, in a beautifully played game, by one point. As the season progressed this year's team appeared to be no different from any other. Then came the ABT Tournament which Adrian won with little trouble. After the season got back underway, Adrian had a seven-game winning streak, with the tough Trojans of East Lansing finally breaking it. At the end of conference play Adrian was tied with Everett for second place in the S.C.C.

Adrian's mighty Maples started tournament play pitted against a powerful Ypsilanti five. Adrian brilliantly defeated them, 61-53, a surprise to everyone except Adrian fans. After the first game of the tournament Adrian seemed to catch fire, beating Romulus, 78-70 for the State District Championship, and chopping down Farmington, 69-53.

In a thrilling double overtime game Adrian eliminated Ann Arbor for the Regional Championship and advanced to the quarterfinals where they faced Jackson whom they had already defeated once by one point during the regular season. This game was no different as the "never-say-die" Maples came through in the last seconds to win a hard-fought victory over the Jackson team.

This was only the second time in history that Adrian had advanced thus far in the State Tournament and our boys weren't about to stop now. Placed against the strongest team they had faced all year, the Maplemen smashed highly ranked Saginaw Arthur Hill, 58-57. The game wasn't as close as the score might seem for the Maples controlled the entire game, playing as they had never played before. Nothing seemed to go wrong and for the first time Adrian, the team rated as the most unlikely to succeed, found themselves in the State Finals.

Ferndale, a team from the Detroit suburbs, found Adrian to be a tough opponent as they scrapped and fought for every rebound and every shot till the final buzzer. At the end of the game the scoreboard read 76-58 in favor of Ferndale. This was defeat, but defeat at its best, as Adrian was the number two team in the state, a well-earned position. For the relatively small, underrated Adrian team had out-hustled, out-fought, and out-scored many of the best teams in the state.

When returning to Adrian, the team was met by a mile-long car caravan that escorted them to the school. Coach Busack and co-captains, Joe Hubbard and Pete Hodapp, answering to the chant of the crowd, gave short speeches. Coach Meinie Busack, probably the greatest basketball coach to ever come to Adrian, summed up the season's success by saying, "We needed talent, we had it! We needed support of the parents, we had it! We needed support of the townspeople and students, and we also had it!" Support was right! They needed it and they got it. A great team we needed and we got it!

After getting off to a bad start with three straight losses, the Sophomore basketball men settled down enough to complete a .500 season (7 wins, 7 losses). Coached by Brad Henson for the first time this year, the team showed great improvement throughout the season and should be a great help next year.

Wrestling

Second Row: Coach McNitt, Kidd, Franceour, DeSpain, Bull, Messerly, Smith, Nelson, T. Coscarelli, Coach DeSpain.

It was a battle of the scales all the way for this year's matmen. Losing on the average of fifteen pounds and then keeping their weight down turned out to be a full time job. Led by captains Bob Bragg, Carl Jacobs, and Frank Herring, the grapplers had a six-win, one-tie, six-loss record. Bob Bragg and Dan Messerly were always the bright spots in every meet, being undefeated in thirteen starts. Plagued by weight during the regular season, George MacNaughton qualified for the state meet and the 103 pound weight class. Dan Messerly in the 180 pound class also qualified for the state meet. Both, unfortunately, failed to place. Other bright spots were sophomores Jim Nelson, Tom DeSpain, Mike Bull, and Albino Perez, all showing fine potential. Several returning lettermen will make up the nucleus of next year's team. We will be looking forward to a fine 64 season.

The 1962-63 swimming season produced better times in both relays and in the butterfly and breast strokes; and yet endured a losing season of 11 losses and 5 wins.

The drawbacks this year were weaknesses in the backstroke, plus the lack of one outstanding swimmer, the calibre of last year's John Townsend, in the 200 and 400 yd. crawls.

When the season started the team did not anticipate losing the No. 1 diver, John Greenman nor did they foresee the loss of crawl sprinter Steve Doughton.

It is quite possible the 1962-63 swim season would have shown four more wins with the above two boys on the squad.

Pool

Solo: Pat Worman "Mysterious Mist"

Solo: Sue Schober "Deep Purple"

Trio: Roberta Kidd, Georgia Davis, Peg Schober "Butter Cups"

Show

Duet: Betty Winzler, Connie Beal "Silver Lining"

Duet: Vicki Eisch, Judy Brock "Spectrum"

The 1963 Pool Show, "Over the Rainbow", was presented by the Doll-Fins Swim Club with the aid of Mrs. Davis and G.A.A.

This year's solos were "Deep Purple" starring Sue Schober, and "Mysterious Mist" with Pat Worman. "The Spectors" with Judy Brock and Vicki Eisch and "Silver Lining" with Connie Beal and Betty Winzler constituted this year's two duets. The trio, "Buttercups", featured Georgia Davis, Roberta Kidd, and Peg Schober. "Bluebirds" was the name of the high-flying quartet which consisted of Sally Camburn, Ann Pifer, Susie Petit, and Judy Heffron. Marybeth Ryznar and Rene Hiatt showed off their "Rain-Beaus", Chuck Heffron and Mason Ludlow, in the mixed quartet.

Other numbers in the show included: "Rain" (the opening number), "Over the Rainbow" (the senior number), "Star Light" (the blackout number), "Peppermint Twist", the "Elves", and "Golden Glitter" (the closing number).

After Friday night's successful performance, Mrs. Davis was presented with flowers and a gift of appreciation from all the girls who participated in the show.

Mixed Quartet: Seated: Rene Hiatt, Marybeth Ryznar, "Rainbeaus". **Standing:** Mason Ludlow, Chuck Heffron.

Track

Front Row: Peavey, Breckle (mgrs.), Frazier, Van Sickle, Alpaugh, Garrison. **Second Row:** Cisco, McGee (trainer), St. Clair, Brown, Dunlap, Knierim, McNitt.

Third Row: Henson, Seegert, Meyer, Smith, Ludlow, Gould. **Back Row:** Bradley, Wilson, Baldwin, Peck.

The 1963 track squad, seventy-six turning out, is the largest in the history of the school; however with only six returning lettermen Adrian may be hard put to find replacements for several key graduates. The hardest shoes to fill will be those of Terry Norman. Terry, participating for the first time in his life, ran the mile only four times and finished 4th in the Class A State Finals. This fast rise to fame won him an opportunity to receive an education at Eastern Michigan University.

Some of the men expected to carry the major load are: Captain Allen VanSickle in the sprints, along with Bill Baldwin; Jack Seegert in the pole vault; Bill Gould in the shot; Mason Ludlow and sophomore Dave Harder in the hurdles; Dan Peck, Earl Brown, Mike Knierim, and Ray Damon in the distances; Neal Garrison and sophomore Mickey Knight in the high jump; and Tom St. Clair and Gary Dunlap in the 440. We must also rely on several new candidates to come through for us.

This year we have an all-weather running track in back of the high school. This is perhaps the finest high school track in the state of Michigan. Now we can operate two schedules; a varsity schedule and an under class schedule for underclassmen not making varsity.

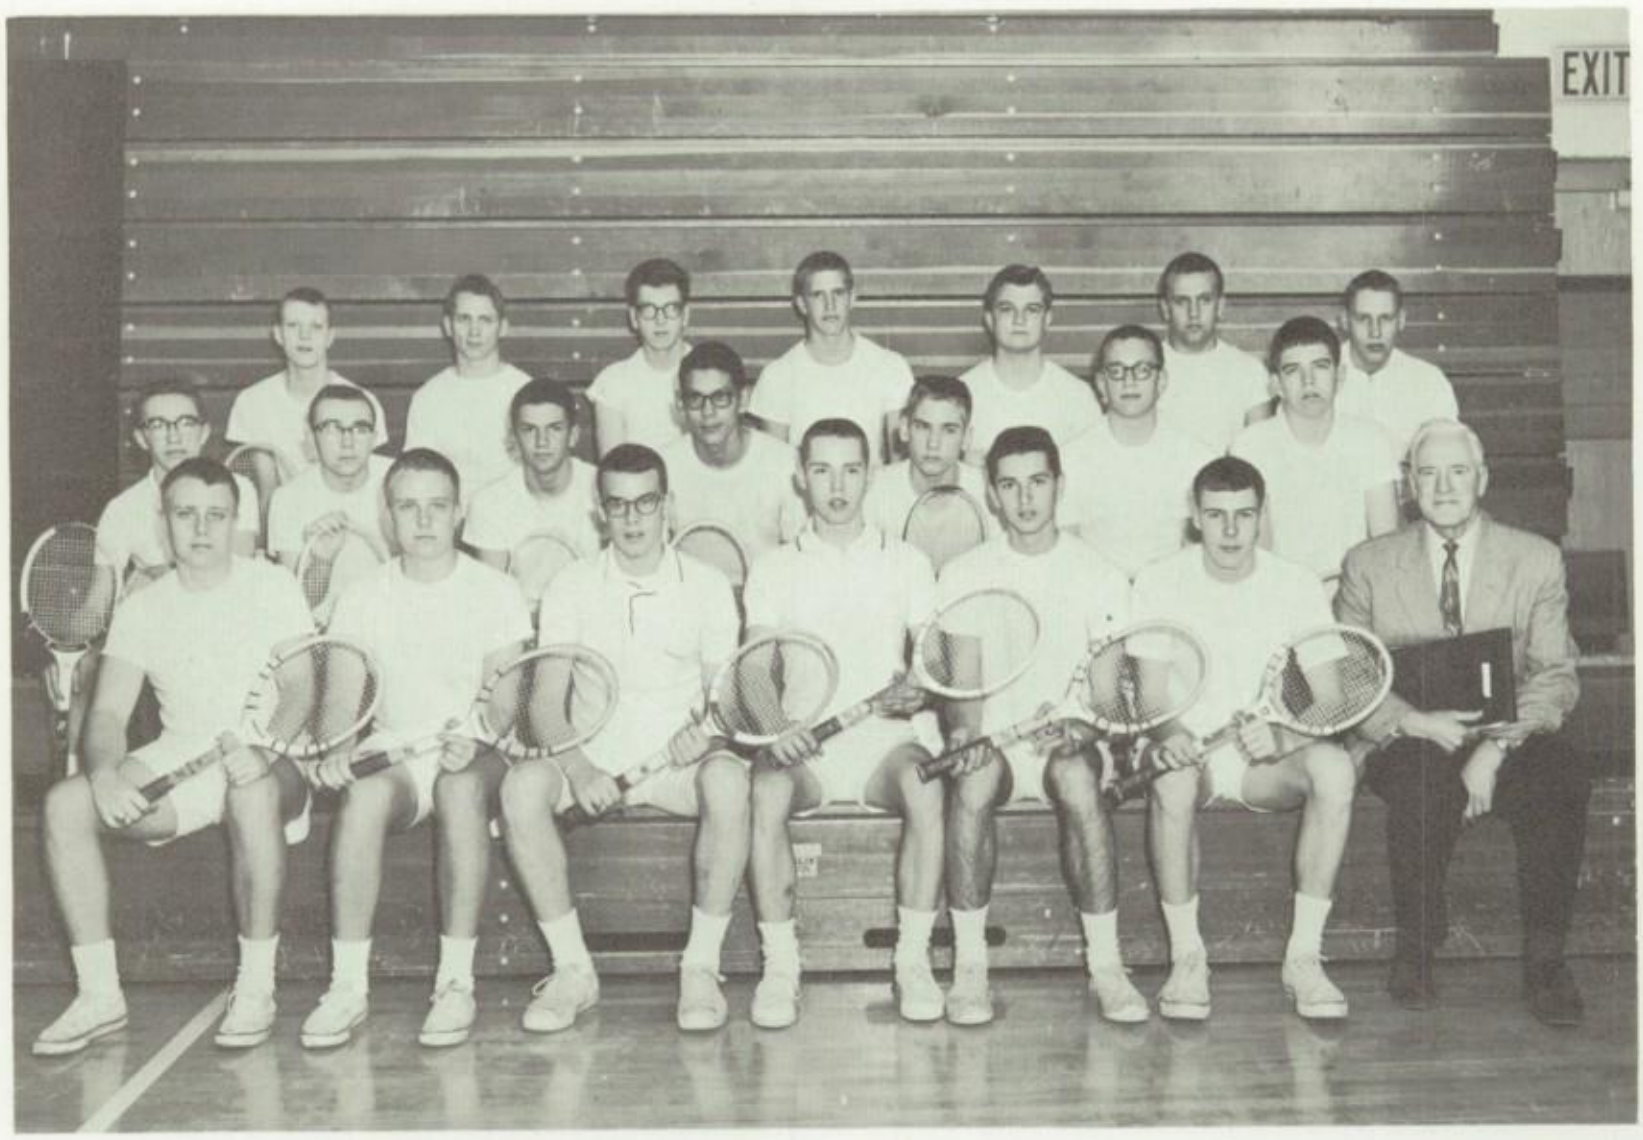
Under the direction of Mr. Gaver, the J.V. Baseball team is expecting a fine season. The following boys, pictured above, were promoted to the Varsity squad early in the season: Jackson, Paulson, Johnson, Casteel, and Gier.

Playing J.V. squads from Ann Arbor, Jackson, Sylvania, and Monroe C.C., plus the varsity squads from other schools, gave our J.V. squad a fine preparation for the varsity in 1964.

Tennis



Front Row: Chase, C., Chase, B., Benz, Erickson, Shepard, Sell, Coach Hazen. **Second Row:** Krohn, Lamley, Phister, Huerta, Morlock, Klein, Dunlap. **Back Row:** Rowley, Gray, Emerson, Krouse, Hyde, Powers, Whaley.

The returning lettermen from last year's team will shoulder the biggest share of the responsibility for the Tennis Team's success this season. The returning varsity men are Howard Erickson and Marvin Shepherd in singles, and Steve Benz and the Chase twins, Chuck and Bill, in doubles.

Those who are making a strong bid for playing privileges are Dan Sell, a senior, and Jim Huerta and James Morlock, juniors. From the sophomore ranks come Gary Kreuše, James Kline, Charles Gray, Dave Lamley, John Pfister, Dennis Emerson, Mile Powers, Ron Rowley, and Earl Dunlap. Others who might surprise are Gary Krohn, James Hyde, and Pat Kearney.

With a great showing from the sophomores, and the experience of the varsity men, the team should have a tremendous season. The team is coached by Mr. Hazen.

Under Mr. Schakel's able coaching, our golf team bettered last year's record considerably.

With a nucleus centered around seniors Steve Jackson and Bill Mayhew, juniors Steve Horvath and Rick Hunt, and its good depth in junior, Craig Hoover, the team possessed fine ability.

If many more golf seasons like this past one come along, we may soon find East Lansing's foursome clutching the heavy end of the sand-wedge.

Attired in flashy, new uniforms, the band under the leadership of Robert Whitacre had a very impressive year. Adding color to the half-time programs at the home football games and the Adrian College homecoming, taking part in numerous parades, and representing Adrian at the Tecumseh Marching Festival and the State Fair were highlights of the marching season. A larger band than in the previous two years promoted much school spirit at pep assemblies and basketball games.

Under the direction of Paul Rainier the choir this year has done a very commendable job.

The choir's schedule of performances started off with a program at the Girls' Training School. In the spring they sang "Camelot" as their selection in the City Music Festival, and also gave a spring music assembly. Many of the members of the choir participated in "Oklahoma" and the choir ended the year by singing at the Baccalaureate Service for the Seniors on June 2.

"Oklahoma!"

Entire Cast: Back Row: Demlow, Purdy, Zook, Norris, Bailey, Basinger, Ball, Ruesink, Pfister. **Second Row:** Stites, Kapnick, Stuky, Rodgers, Bemis, Scher, Frazier, Tarris, Griffin, Sadler. **Front Row:** Hiser, Brion, M., Brion, J., Westfall, Gray, Kiley, Kelley, Luke, Clough, Hine. **Front:** Standish, Harwood.

The production of the Rodgers and Hammerstein Broadway musical, "Oklahoma!" was an outstanding success!

"Oklahoma!" was so well accepted that the auditorium was filled to capacity, and it was necessary to turn people away.

Those who saw this production commented that it was the finest high school musical they had ever seen; some said it surpassed college performances of a like nature. Staged in arena style, every scene was a masterpiece; every actor and actress did a fine job!

The school would like to offer their congratulations to all who helped in this production and say, "Thanks", for an evening of great entertainment.

YOU CAN'T TAKE IT WITH YOU

This year, under the able direction of Mrs. Barnes, the Senior Class presented a three-act comedy which proved to be a big success. It was first a big hit on Broadway for the authors, Hart and Kaufman.

The story of the off-beat Sycamore family is a hilarious mixture of romance, intrigue, and sudden conflict with the United States Internal Revenue. Tony's love for Alice in the end proves triumphant, and Grandpa steers the whole family through all kinds of unpredictable strife.

The All School Play

On THE NIGHT of JANUARY SIXTEENTH Bjourn Faulkner either jumped or was thrown from the penthouse atop the Faulkner Building in downtown New York. The District Attorney was out to prove that Bjourn's secretary lover, Karen Andre, had committed the murder after his marriage to the millionairess, Nancy Lee Whitfield. Karen's defense attorney claimed Bjourn Faulkner committed suicide after the failure of his business. When it seems Mr. Flint, the District Attorney, is about to prove his point and win the case. Larry Regan enters the courtroom admitting it was a fake suicide and that later John Graham Whitfield, Nancy's father, killed Bjourn Faulkner. The fate of Karen Andre was left to the jury.

Congratulations to Mr. Lewandowski and the cast of THE NIGHT of JANUARY SIXTEENTH for a fine performance.

He's alive! He's alive!

That body, was already dead.

The Varsity Club's activities began in October with the election of officers and a board of governors.

In November a hayride was sponsored for members and dates. Next the club concentrated its efforts on the December initiation of new members, which provided many new members for the club.

A spring initiation has been planned, along with various other Varsity Club sponsored social activities.

Field hockey was the first sport of the year for the G.A.A. It was highlighted by a game with the girls from Adrian College. Trampolining was next, followed by basketball and the new rules that had to be learned. With a roving guard and a roving forward, the game became more exciting for the spectators as well as the participants. Basketball continued into second semester, after which the pool show started and became the main interest.

The initiation of new members was held in the spring and all prospective members proved to be "good sports".

The years' activities were terminated by the annual V.A.-G.A.A. recreation night and dance which highlighted the club's social life.

Always an active club, the Latin Club again had a very successful year. Under the skillful direction of Mrs Miller, the club enjoyed numerous activities.

The first semester marked three important dates for the club members. The students who wished to join Latin Club had to meet two requirements: first, they must have had two years of Latin, or be taking Latin at that time, and must have served as a slave to an old member for a day and a half. Thus, the annual Slave Auction was again a high point, the seniors and juniors purchasing sophomores in groups of three. The Latin Club also put on the Thanksgiving assembly and ended the semester's activities with the festive Christmas party.

Among the interesting programs which the members, old and new, enjoyed were a slide lecture on Roman life, a mythology program, and a speech given by Dr. Edith Kovach. The students ended the year by gorging themselves Roman-style at the annual banquet.

Spanish Club, a popular club in school, is entitled "Los Companeros Algres", which means "The Happy Companions".

This year the Spanish Club has had difficulty in getting started, due to many various complications.

Under the leadership of Mr. Busack, the Spanish Club has functioned well in the past and will continue to do so in the future.

One of the projects the Spanish Club worked on was the Spanish Fiesta, which was held in the spring.

The Mildred M. Armstrong Chapter of the Future Teachers of America has enjoyed an active and successful year under the sponsorship of Miss Armstrong and Miss Nielsen.

Regular monthly meetings are held on the second Tuesday of each month in the Home Economics Lounge. Guest speakers included Mr. Whitney of Adrian High School; Miss Sammie Vallos from Greece, a student at Adrian College; and Miss Nielsen of Adrian High School.

Special projects were apple sales, apple for the teacher observance, and providing a coat check stand and ushers at the Lenawee County Teachers' Institute. An All-County F.T.A. Banquet was held in January at Richie Hall. For their participation in club activities, many members were awarded F.T.A. pins.

Back Row: French, Copeland, Benz, Morlock.

The Chemistry Club was organized in order to discuss various forms of science, especially chemistry. At every meeting each person gives a short report on some current scientific happening. Also one person is selected to give a lengthy detailed report on any scientific subject. After the reports are given the meeting is adjourned to the lab where the members work on various lab projects. The meetings are usually held on alternate Wednesdays during the school year.

Under the direction of Mrs. Tombaugh and Mr. Sweet, the members receive a better and more thorough education in the field of science. Congratulations to the Chemistry Club on making our school a better place in which to learn.

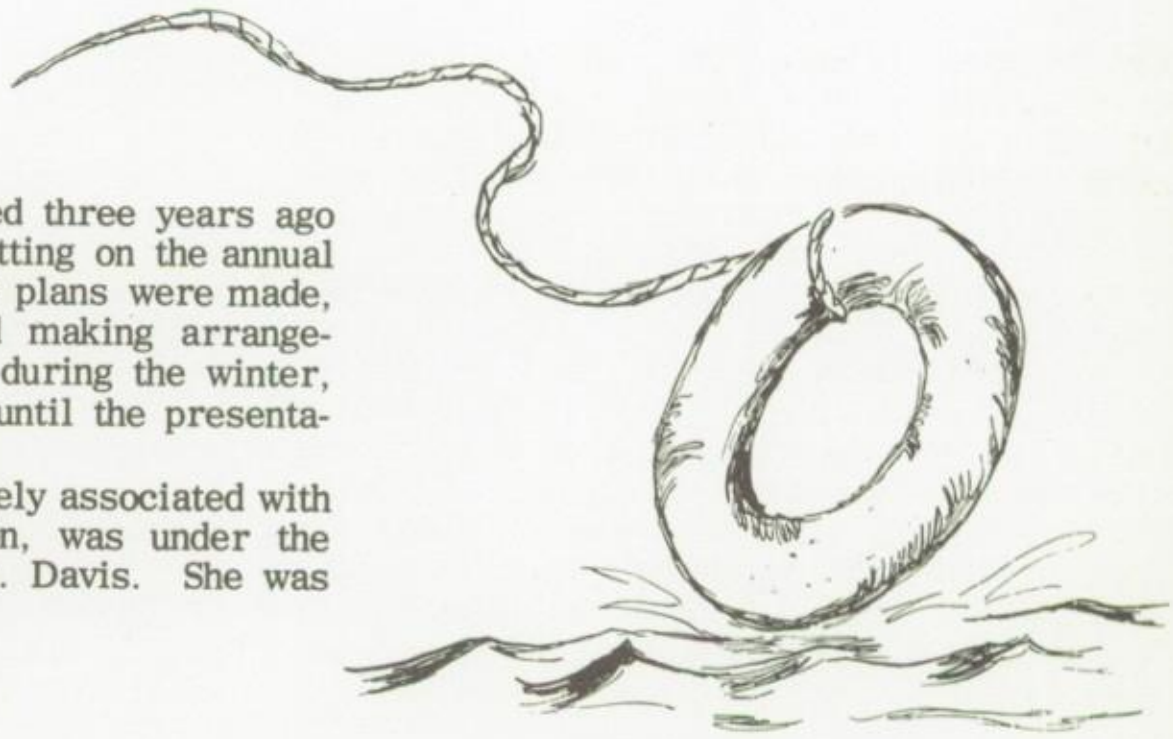
The Swim Club was orginated three years ago for the primary purpose of putting on the annual Pool Show. Early in the year plans were made, after selecting the theme and making arrangements for the numbers. All during the winter, preparations were carried on until the presentation of the show on May 1, 2, 3.

The club, which is very closely associated with the Girl's Athletic Association, was under the very able advisorship of Mrs. Davis. She was assisted by Miss Wornstaff.



Machine Shop

Front Row: Shulters, Peavey, McNeil, Rychener, Snead, Farley, Clauda, Zimmerman, Herring, F.

Back Row: Sherman, Morton, Fisher, Mullinix, Wiles, Gudakunst, Helm, Herring, C., Scroggie, Castle, Tidswell, Mr. Strobel.

The machine shop deals with the principles and construction of machine tools, the care and operation of hand and precision tools, and the more common modern tool room machines and equipment.

It is recommended primarily for those who are planning an industrial career as an engineer, machinist, tool and die maker, draftsman, machine tool designer, time and motion study man, inspector, or jig and fixture maker. Other students who have an interest in machines and tools will find the course beneficial. Special consideration is given to those planning for engineering as a career.

The school machine shop makes it possible for boys to acquire the "feel" of these instruments and to learn the basic fundamentals of machine tool operations. The shop provided a good opportunity for the sincere student to work with both head and hands.

Manufacturers' hand books, reference tables, and a text book and accompanying workbooks are used by the boys.

Machine shop 1-2, the beginning section, meets for two periods each day, Monday through Friday, and carries one hour credit. This class is usually taken in the eleventh grade and is followed by Machine Shop 3-4 in the twelfth grade.

This page is sponsored by Dunmore Funeral Home.

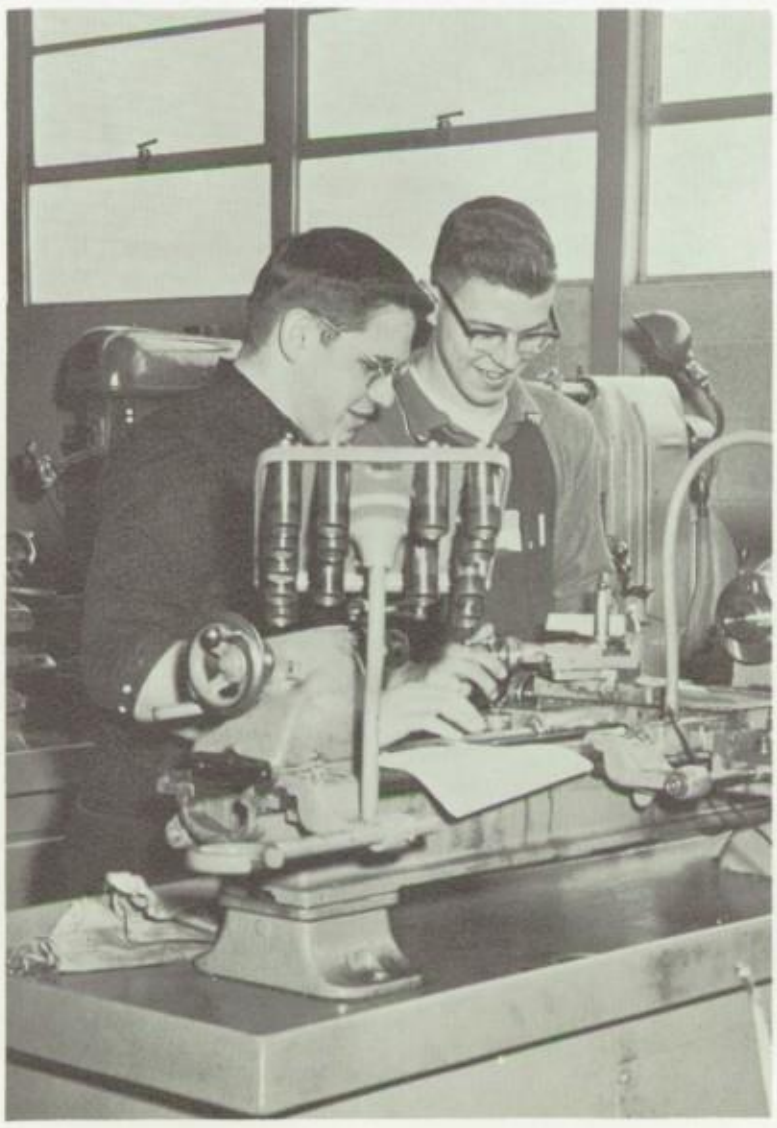
Gerald Farley, Robert Mullinix, and Doug Snead checking an adjustment on the contour saw.

Don Helm and Gwyn McNeil working out a problem on the vertical milling machine.



Lloyd Peavey and Ralph Rychener making a set-up on a lathe.

Co - op Club

Front Row: Garcia, Eaton, Roekle, Simmons. **Second Row:** Haydo, Prowant, VanAntwerp, Lang, Carnahan. **Third Row:** Dull, Cusick, Clark, Gafner. **Back Row:** Brighton, Waycaster, Foor, Kennedy.

The Co-Operative Training Club's main purpose is to extend the working ability of the students. The Club advisors are Mr. Whitney and Mr. Wyse.

This program enables the student to attend school a half day and to work the other half day.

Once a week meetings are held, with discussions about working conditions from the different members' experiences.

The Sickle Staff wishes to commend the Co-op Club for their fine job during the course of the year.
